The DoE are now housing all the **curriculum guides/documents** in a one-stop place called the EduPortal. Check this central place out at <http://edapps.ednet.ns.ca/eduportal> You will need your Employee Number as found on your payroll information to enter the site. Go to Resources and then **Educator's Site and/or the Curriculum Cart** to access/download the curriculum documents.

Curriculum guides may also be accessed through their respective **Moodles** such as: Mathematics P-3, 4-6, 7-9, 10, 11, and 12; P-3 Renew, Revisit, Rebuild; An Innovative Curriculum; 4-6 Renew, Refocus, Rebuild. ## Grade 7

### Mi'kmaw Language 7

#### Provincial Guide

- Mi'kmaw Language 7 (Implementation Draft, 2006)
- Ian Doucette, the DoE Mi'kmaq Services Division Consultant, has developed Moodles for Mi'kmaw Studies 11 and Mi'kmaw Language. They are not elaborate, but are a work in progress. The moodles can be found in the Mi'kmaq Services section of the Professional Communities of Practice-go to [www.nsvs.ednet.ns.ca](http://www.nsvs.ednet.ns.ca). Currently they are set up mainly as a way for teachers to share ideas, questions, and resources with their counterparts in other schools and boards. The key for Mi'kmaw Language is: language. You are now a participant in the course and it will be displayed under "My Courses" each time you log into NSVS. This Moodle will be updated hopefully on a regular basis. If there any questions about either of those subject areas they can feel free to contact Ian at 902-240-5218 or [doucetij@gov.ns.ca](mailto:doucetij@gov.ns.ca).

## Core Resources

### Grade 10

There have been some inquiries about **Mi’kmaw Studies** as course selection time fast approaches for 2016-17. This year Mi’kmaw Studies 11 is being piloted in 4 provincial schools and 1 Mi’kmaw Kina’matnewey school. Barring any unforeseen complications, as of September 2016, **Mi’kmaw Studies 10 will be replaced by Mi’kmaw Studies 11**. The new course will satisfy the graduation requirement for Canadian History. Because the grade 11 course replaces the grade 10 course students will only be able to receive credit for one (i.e. they can’t take Mi’kmaw Studies 10 this year and Mi’kmaw Studies 11 next year expecting 2 credits). The pilot teachers and EECD have been working diligently for over a year now to get the course ready and are excited to make it available to all schools interested in offering the course in the fall. More details will follow around support, PD, and resources.

## **Grade 11**

### **Mi'kmaw Studies 11**

#### **Provincial Guide**

- The curriculum guide for Mi'kmaw Studies 11 will be out very soon, along with a September 2016 PD plan for the course. As of September 2016, Mi'kmaw Studies 10 will be replaced by Mi'kmaw Studies 11. The new course will satisfy the graduation requirement for Canadian History. Because the grade 11 course replaces the grade 10 course, students will only be able to receive credit for one (i.e. they can't take Mi'kmaw Studies 10 in the 2015-16 school year and Mi'kmaw Studies 11 this year expecting 2 credits). The pilot teachers and EECD have been working diligently for over a year now to get the course ready and are excited to make it available to all schools interested in offering the course in the fall. More details will follow around support, PD, and resources.

#### **Core Resources**
